AC 955 SQ F | Balcony: 67 SQ F

TOTAL SQ F*: 1,022 | TOTAL M²: 94.94

*Square footages are measured to the exterior finish of the exterior walls of the structure, including the exterior walls of the balcony. The dimensions do not include the dimensions of the "curb cut" or form in the documentation (this generally only includes the interior space between the perimeter walls and includes raised structural components). For your reference, the total of the floor plan area of the rooms shown in this floor plan are generally taken at the greatest points of each given room (as if the rooms were a perfect rectangle), without regard for any irregularities in the floor plan. For more information, please contact the sales agent. All dimensions are approximate and may vary from actual construction, and all floor plans and development plans are subject to change.
