

RESIDENCE B4
4 BEDROOMS / 5.5 BATHROOMS

INTERIOR	3,461 SF	321.54 M ²
TERRACE	1,056 SF	98.11 M ²

TOTAL *	4,517 SF	419.64 M ²
*Floor Plan shown on 9th Floor, subtract 59 SF / 5.5 M ² per level		

Privé offers 160 graciously appointed residences in two dramatically angled, 15-story buildings. Featuring flow-through layouts with soaring, ten-foot ceilings, each Privé residence offers dramatic views of both the Atlantic Ocean and the Intracoastal Waterway through expansive floor-to-ceiling windows.

Private elevator foyers lead to spacious, well-proportioned spaces ranging from 2,585 to over 5,600 square feet. Exceptional fixtures and finishes include European kitchens and baths, plus elaborate summer kitchens for outdoor entertaining on deep, private terraces.

INTRACOASTAL & OCEAN VIEW

Stated square footages and dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls and in fact vary from the dimensions that would be determined by using the description and definition of the "Unit" set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes all interior structural components and other common elements). This method is generally used in sales materials and is provided to allow prospective buyer to compare the Units with units in other condominium projects that utilize the same method for your reference. The area of the Unit, determined in accordance with these measurement boundaries as set forth above, is not part of the Unit's Measurements of rooms set forth on this floor plan are generally shown at their true points of each given room (as if the room were a perfect rectangle), without regard for any cutouts or other features. Actual dimensions may vary from those shown on the floor plan. All dimensions are conceptual and all floor plans, specifications and other development plans are proposed and conceptual only, which are subject to change and will not necessarily accurately reflect the final plans and specifications for the development.
